“Bakü’nün Kıyısında”; şehirden, gündelik yaşantıdan ayrıca Hazar Denizi ve şehrin kıyısındaki mahallerde çekilmiş fotoğraflardan oluşur. Sovyet Rusya sonrası Bakü’nün dışavurumu olan soyut görüntüler, gündelik yaşama ait anlarla bütünleşip, Hazar kıyısında son bulur.

"On the Shore of Baku" consists of photographs taken from the city, daily life, the Caspian Sea and the suburbans of the city. Abstract images, which are the expression of Baku after Soviet Russia, integrate with the moments of daily life and end on the Caspian coast.
